For 50 years Bill has been a student of Spiritual learning and development. He has been coaching professionally for over 15 years and is a certified Dream Builder Coach by Mary Morrissey’s Life Mastery Institute in CA. He also spent 12 years with Landmark Education developing his coaching skills by first mastering and overcoming that which kept him from living life fully. Bill truly believes to be effective in life, one must be the example of that which he teaches.

Bill’s passion is coaching people in such a way that they begin to become aware of Who they really are, rather than who they think they are. The people Bill coaches are enormously successful in their endeavors, such that they are inspired and empowered to take actions in fulfilling their dreams.
